## 1 ACCESS

From 15 October 2028 members of the Kelvara management team have access to group systems: email, the intranet, the document portal and the expense system. Accounts were created from the list sent by Kelvara.

## 2 FIRST SIGN-IN

1. Sign in to the portal with the username and the temporary password in your welcome letter.
2. Choose a new password of at least 14 characters.
3. Set up the second factor on your phone. Offshore staff use the code card that the Service Desk sends with the supply run.
4. Check that you can open the documents shared with your role.

## 3 WHAT STAYS AS IT IS

Kelvara keeps its own systems for operations, safety and accounting. Nothing is moved before the integration review on 31 March 2029.
