Post-Acquisition Integration Plan: Kelvara Petrochemicals AS

Doc. NS-CFO-INT-2028-09 · 29 September 2028

Classification: Confidential, management

1. Summary

Following the acquisition of Kelvara Petrochemicals AS on 24 September 2028, Kelvara will continue as an independent operator under its own name. This plan describes how the company is integrated into the NeuroStat group over the first six months.

2. Principles

- Kelvara keeps its name, its head office in Stavanger and its base at Ågotnes.
- Management and the organisation offshore and onshore remain unchanged.
- Normal operations on Ødemark A continue. The winter rotation from 1 November goes ahead as planned.

3. Reporting line

From 1 November 2028 the Kelvara management team reports operationally to Clinical Field Operations (Head: Marcus Holt). The Kelvara board continues to meet and receives reports on financial results.

4. Timeline

Date	Milestone	Owner
24 Sep 2028	Completion of acquisition	General Counsel
15 Oct 2028	Access to group systems for Kelvara management	IT
01 Nov 2028	Operational reporting line to Clinical Field Operations	Clinical Field Operations
15 Dec 2028	Review of procurement and contracts	Finance
31 Mar 2029	Integration review	Executive Committee

5. Communication

Employees are informed by their line managers. External questions are referred to Corporate Communications.
