1 WHAT THIS IS ABOUT

The group handles personal data of patients, study participants, employees and business partners. This notice sets out the rules for employees. The privacy statement on the website explains the same for the public.

2 RULES

- Collect only the personal data you need and use it only for the purpose it was collected for.
- Keep it only as long as the retention schedule allows.
- Study data are coded. Never try to find out who a participant is unless your role requires it and the study procedure allows it.
- Do not discuss patients, participants or colleagues in public places or on private messaging apps.

3 IF SOMETHING GOES WRONG

Tell Data Protection at once if personal data are lost, sent to the wrong person or seen by someone who should not see them: privacy@neurostat.com, +41 44 538 17 14. The group must report some incidents to the authorities within 72 hours, so do not wait.

4 CONFIDENTIALITY

Your duty of confidentiality continues after you leave the group. Information about products, studies and finances stays confidential until the group has published it.
